

REFUGEES WILL BE HERE NEXT WEEK!

A Congolese Christian family of eight are to arrive on Thursday evening, March 10, 2016. Our team of many workers is very busy getting ready!!

We are told that this family fled their native country (Dem. Rep. Congo) some nineteen years ago (10/1/1996). They are listed as Methodists, with their ethnicity as Bembe (Bembe originate from northeast Democratic Republic of the Congo and western Tanzania).

The children (all born in Tanzania) range in ages from two to 13:

Daughter Marie Makiwa will celebrate her 13th birthday on March 9, just one day before their scheduled arrival in Lexington.

Son Cypren will turn 12 on March 29th.

Daughters Masoka, Neema and Hasha will turn 8, 6, and 4 (June 4, September 3 and July 14) respectively.

Son Matendo Yamungo will turn 2 on Jun 5th.

We are in the throes of finding a place for them to live.

We will keep you posted, especially after our meeting them.

We, too, are excited about this opportunity.

PEACE
